## Friends of Derby Cathedral

Members of the Friends' Council are working with the new Dean to take the activities and fundraising of the Friends of the Cathedral forward. Meanwhile, following the sad death of Canon Ian Gooding this summer, they are looking for someone to act as Treasurer of the Friends. It is not an onerous task to manage the funds and attend Friends' Council meetings. We are looking for a person who can understand bank statements and spreadsheets. Anybody who would like to help is asked to contact Council member Frank Bagshaw: tel 01629 735154 or email [frankbagshaw@aol.com](mailto:frankbagshaw@aol.com).

## Help needed

School pupils who are self-isolating at home (eg waiting for a Covid test result) get a food parcel if the pupils are normally entitled to free school meals. This is a real help for families who would otherwise have to find and organise extra meals on a limited budget. However, it's not always easy for families to collect a parcel from school, and schools don't have the spare staff to deliver.

Can you help the Cathedral School as a volunteer delivery person? You would need to have your own transport and be able to drive across the city (the students are from all over). It could be the same time slot each week if that helped. Email [missioner@derbycathedral.org](mailto:missioner@derbycathedral.org) if you think you could help.
